**Sub: Official Invitation Letter of International Fair Play & Anti-Doping Workshop 2026
Promoting Clean Sport in Beach Hybrid Relay & Combat Hybrid Relay**

Dear Sir/Madam,

On behalf of the **O-SPORT International Development Committee**, it is our great pleasure to invite you to participate in the **International O-SPORT Fair Play & Anti-Doping Workshop 2026**, which will be held online on **18 August 2026**.

This international educational workshop is dedicated to promoting the values of fair play, clean sport, and anti-doping awareness within the growing disciplines of **Beach Hybrid Relay** and **Combat Hybrid Relay**. The event will bring together athletes, coaches, referees, sports administrators, and experts from around the world to exchange knowledge and strengthen the culture of integrity in sport.

The workshop will cover key topics including:

- Principles of Fair Play and Ethical Competition
- Anti-Doping Rules and Responsibilities
- Risks of Supplements and Unintentional Doping
- Athlete Rights and Responsibilities under Anti-Doping Regulations
- Best Practices for Clean Sport Education and Event Management

Your presence and contribution would be highly valued in supporting the development of a fair, safe, and transparent sporting environment within the O-SPORT community. We believe your expertise and experience will greatly enrich the discussions and outcomes of this event.

All participants will receive an official **Certificate of Participation** upon completion of the workshop.

We sincerely hope you will accept this invitation and join us in this important initiative to promote clean sport and fair competition worldwide.
